

JOB POSTING FORM

Facility/Organization: Stony Brook University Hospital

Position/Title: Inpatient Medical Record Coder

Work Setting/Organization Type: Academic

Job Function:

At Stony Brook Medicine, the Medical Record Coder will be responsible for selecting and assigning accurate codes from the current version of coding systems including ICD-10 CM, ICD-10 PCS, CPT and HCPCS codes.

Duties of a Medical Record Coder may include the following but are not limited to:

- Demonstrates proficiency with Microsoft Office Applications, Citrix and Adobe Reader in using required computer systems with minimal assistance.
- Review the medical record and all applicable documentation to determine the appropriate codes to assign for the services and diagnoses.
- Utilize coding resources along with any other applicable reference material available to ensure accuracy in coding for all of the assigned services.
- Follow all HIPAA regulations and uphold a higher standard around privacy requirements.
- Demonstrates the technical competence to use the facility encoder as it interfaces with the hospital mainframe and/or EMR in a remote setting.
- Demonstrates proficiency with Microsoft Office Applications in using required computer systems with minimal assistance.
- Maintain a working knowledge of various laws, regulations and industry guidance that impact compliant coding.
- Must meet all coder productivity and quality goals.
- Ensures the confidentiality of data contained in the medical records as outlined in institutional policies and procedures. Supports and promotes the HIM department by participating in special projects.
- Assign and sequence ICD-10CM-PCS diagnostic and procedural codes for designated service lines. Working knowledge of MS-DRG and NYS APR DRG grouping logic to accurately reflect the diagnosis/procedures documented in the medical record. Documentation assessment and review for accurate abstracting of clinical data to meet regulatory and compliance requirements.
- Other duties as assigned.

Reports To: Associate Director Inpatient Coding

Location(s): Commack, NY

Job Type: Full-time

Shift: Day Shift- Shift Hours: 8:00am-4:00pm- Pass Days: Sat, Sun
